About The Airport

Tri-Cities Regional Airport, TN/VA (TRI) is a full-service commercial airport serving Northeast Tennessee, Southwest Virginia, Western North Carolina and Eastern Kentucky.

TRI's property covers approximately 1,200 acres, including an 118,835-square-foot passenger terminal building, an Air Cargo Logistics Center, FBO, corporate hangars, a Federal Aviation Administration (FAA) air traffic control tower and other aviation-related businesses. U.S. Customs & Border Protection Port #2027 and Foreign-Trade-Zone #204 are located at and operate from the Air Cargo Logistics Center.

Passenger Amenities

Tri-Cities Regional Airport offers a world class airport, right here in East Tennessee. With easy check-in, quick lines and an easy to navigate concourse, there's no better way to start your trip off right than to start at Tri-Cities Regional Airport.

At TRI, Passengers will enjoy quick and convenient parking, a full-service grill and bar, a well-stocked gift shop for those last minute gifts and magazines, and the warm friendly service you've come to expect from our region.

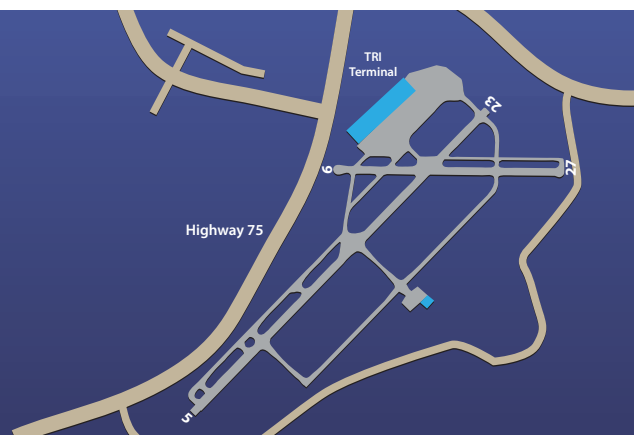

Corporate Aviation

TRI also services the Corporate Aviation community through its corporate hangars and FBO. Tri-City Aviation, our corporate aviation partner, provides facilities, maintenance and other services specifically to the corporate aviation client.

FTZ / Air Cargo

With TRI's strategic location between two major interstates, easy access to major railways and our on-site customs port, TRI is uniquely equipped to partner with local business and manufacturing companies and meet a growing need for strategic, logistics partnerships.
